# ID Theft Protection

Comprehensive identity theft prevention and restoration services

**\$13.95**  
per month

GetWell's **ID Theft Protection** is a comprehensive identity theft management service that assists in the monitoring and prevention of identity theft. In the event that fraud does occur, we will guide you through the identity restoration and resolution process. You can rely on personalized, on-demand attention from a fraud specialist, whenever you need it. Fraud specialists are armed with the knowledge to help reduce the risk of identity theft and provide unlimited resolution assistance, should you fall victim, providing emotional support and peace of mind.

ID Theft Protection

**Disclosures: THIS PLAN IS NOT INSURANCE and is not intended to replace insurance.** This program is not available in Vermont and Washington.

## **ID Theft Protection – Protect your identity.**

ID Resolution LLC, helps victims overcome problems of identity fraud and assists members in effectively managing their identities by offering its WRAP+™ product including single bureau credit reporting, single bureau credit monitoring, PII monitoring and ID Restoration services. ID Resolution's outstanding customer service makes monitoring your credit and restoring your identity as easy as possible. Contemporary identity management is complex, but this comprehensive program addresses a wide variety of scenarios. ID Resolution uses this program to constantly develop new services in order to meet the challenge of this evolving worldwide problem.

### **Single Bureau Credit Reporting**

As a member, you will receive access to your credit report through ID Resolution's online portal. By utilizing this portal, you may check your annual credit report at anytime from anywhere. Reports are generated using TransUnion Credit Bureau.

### **Single Bureau Credit Monitoring**

As a member, you will also receive constant credit monitoring from a single major Credit Bureau, TransUnion, for any new changes to your credit bureau files.

### **Comprehensive Personally Identifiable Information Monitoring**

Proactively detects stolen personally identifiable information and compromised confidential data. At any point in time, technology is monitoring thousands of websites and millions of data points using a variety of data gathering techniques such as chat room monitoring, spidering/crawling/scraping capabilities and forum extraction, to make sure compromised credentials are spotted before they are stolen. ID Resolution will alert you if it finds your personally identifiable information being bought or sold online.

ID Resolution monitors the following personal information:

- Social Security Numbers
- Phone numbers
- Email addresses
- Bank accounts and routing numbers
- Credit and debit card numbers
- Medical identification numbers

### **Fraud Resolution**

ID Resolution works on behalf of you to fully resolve almost any form of identity-related fraud or suspected fraud. You will have unlimited access to a personal case manager that works with individuals on a one to one basis. Case managers can also assist with the placing of Fraud Alerts, Credit File Freezes, Catastrophe Personal Document Replacement Assistance, Identity Travel Response, Estate Services, Infant and Minor Identity Risk Mitigation and Medical Identity Theft Assistance.

# Get Healthy. Stay Healthy.

In addition to **ID Theft Protection**,  
GetWell by SureBridge offers a  
suite of wellness products.

## Discount Services

GetWell **Discount Services** health-related services bridge the gap between your health plan and your budget with significant discounts on dental, vision and prescription services.

## Medical Assistance

GetWell **Medical Assistance** is convenient medical help — including secure online access to your records and 24/7 phone or Web access to physicians who can prescribe medication.

## GetWell Complete

GetWell **Complete** combines the full suite of GetWell products to create a comprehensive discount health, wellness and identity theft management service that provides valuable savings on the cost of health care, plus assists in monitoring and preventing identity theft.
